I would like to. Things on my list:

1. Check in on transmittal of Closing Gaps document, and expectations from State, by When.

Ex. 5 - Deliberative

3. To you Lynda, heads up that we need to get back to the National Strategy and communicate something to the states on that, as we said we would in call coordinated by CSO.
4. Update from Christine (assuming she was able to connect w Dennis yesterday).

Non-Responsive

Thanks, J.
